

DutchReview is a Dutch magazine for expats, Dutchies with an international taste, Internationalists with a Dutch appetite, in short: anything involving Dutchness. Our content is a mix of themes related, but not restricted, to culture (both refined and popular), politics, history, opinions, lifestyle, and backgrounds. We strive to bring informative, factual, and humorous writings. Because if you wanted to read dry informative pieces of text, you could have gone to school instead of DutchReview.
